REASONS FOR ALLOWANCE

Claim 1 is allowed. The following is an examiner's statement of reasons for allowance: the prior art does not suggest the socket as claimed, including the combination of all the claimed elements, the combination including the central hollow shaft for receiving a signal piece, the conductive frame being provided around the shaft, the cap being placed on the front side of the socket being provided with several inward elastic slices extending into the front aperture of the socket, and the connecting cable having an outer metal layer and an inner metal layer being separated by a non-conductive layer and having a central wire in axis for contacting the signal piece as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ross Gushi whose telephone number is (571) 272-2005. If attempts to reach the examiner by phone are unsuccessful, the examiner's supervisor, Paula A. Bradley, can be reached at 571-272-2800 extension 33. The phone number for the Group's facsimile is (703) 872-9306.
